

COMPANY PROFILE - 2026

ABOUT OUR COMPANY

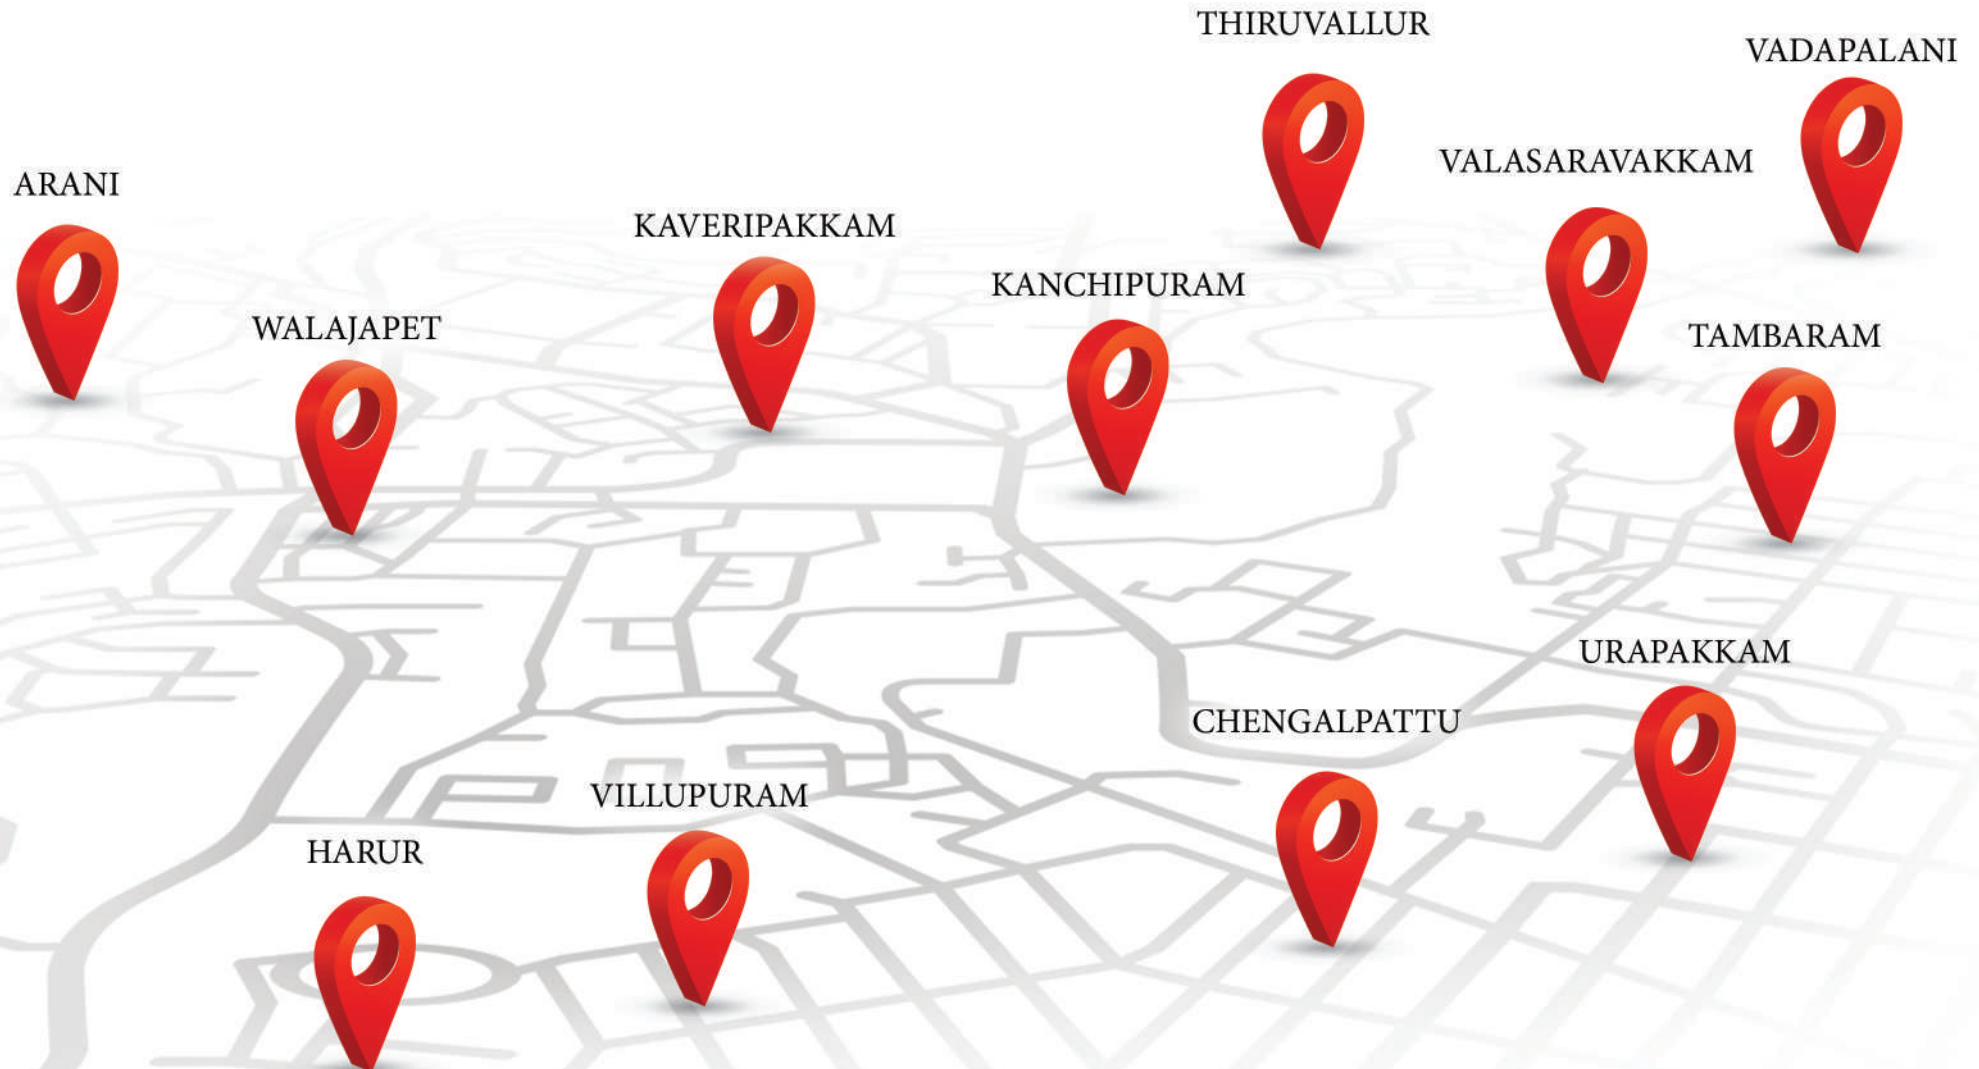

Established in 2014, Adiyogi Promoters has risen to become a prominent player in the real estate industry. We have diversified our portfolio to include residential, premium, mid-market, and budget-friendly Plotted land, as well as farm lands developments.

Our track record speaks for itself: we have completed over 300 residential apartment units and invested in over 1 crore sq. ft of real estate within a decade. Our expertise also extends to plotted land development projects, with over 6 million sq. ft sold to date.

With 27 projects encompassing 2 million square feet in our current inventory and 3 Mega projects in the pipeline, we continue to expand and push the boundaries of what's possible in real estate development.

Our approach is simple yet effective. We meticulously identify properties and sites with high market value, ensure all necessary documents are in order, obtain optimal entitlements, and execute modern design and construction methods. This results in real estate that not only meets market standards but also serves as the perfect home for our clients.

BRANCHES

*Currently we have 12 Branches in 8 Districts
